the Pansy

PANSY FARM
 Perennials

Gentlemen:

The manpower problem has brought insurmountable problems to our business and because of the shortage of experienced help we will be limited in the number of flowering plants we can produce and the number of orders we can fill. Then, too, we are devoting a considerable portion of our land to the growing of vegetables in an effort to contribute our share towards the nation's food supply. As a result of our experience in 1942 we have concluded that it is unwise to publish a wholesale catalog this year. We are sending a folder to our retail customers and have been forced to carefully limit the number of varieties that we can offer.

At the present time it seems advisable to do what we can to serve our retail customers and insofar as it is possible to take care of as many wholesale orders as we can. However, we assure you that wherever possible we will do our best to take care of your needs. On this basis we have prepared the following list of plants which we hope will partially fill your requirements.

Let us assure you that it is our sincere hope that next year we shall be able to handle an unlimited amount of business and as promptly as we have in the past.

Sincerely yours,

PITZONKA'S PANSY FARM

PITZONKA'S GIANT-FLOWERING PANSY MIXTURE

Largest flowers in a good range of colors and variations. Bushy, compact plants, with stems long enough for cutting. Regular size plants, 70c per 100, \$5.00 per 1000, 5000 or more at \$4.50 per 1000. Large size plants, \$1.10 per 100, \$8.50 per 1000, 5000 or more at \$8.00 per 1000.

PITZONKA'S PRIZE PANSY MIXTURE

Rich dark shades with many solid colors and unusual markings. Red, pink, brown, lavender, blue, and black predominate. Regular size plants, \$1.25 per 100, \$8.00 per 1000. Large size plants, \$1.60 per 100, \$12.00 per 1000.

PITZONKA'S CUT-FLOWER PANSY MIXTURE

Sturdy plants with strong, 6-inch stems ideal for cutting. A top-quality mixture. Regular size plants, \$1.25 per 100, \$8.00 per 1000. Large size plants, \$1.60 per 100, \$12.00 per 1000.
